## Volunteerism

Volunteers are at the heart of the YMCA and that is why the YMCA is at the heart of the community. Our sports programs depend on volunteers as coaches, so your support is needed. When you volunteer at the YMCA you are a part of a non-profit organization with a vision of building strong kids, strong families and strong communities.

## Mission Statement

To put Christian principles into practice through programs that build a healthy spirit, mind , and body for all.

## Up Coming YMCA Events & Activities

**2010 Strong Kids Campaign**  
 Through this annual campaign funds are raised to provide financial assistance for youth and families. Each gift to the campaign helps fulfill the YMCA mission: to serve all children and offer programs and facilities to everyone regardless of their ability to pay. For more information on how you can take a bow as one of the Greatest Volunteers on earth, call Sally Ray, 8.299.9629x31
